Natural Hazards **6** (1992).

Contents of Volume 6

Volume 6 No. 1 1992

A. A. NIKONOV / Abnormal Animal Behaviour as a Precursor of the 7 December 1988 Spitak, Armenia, Earthquake 1

GAZI MD. KHALIL / Cyclones and Storm Surges in Bangladesh: Some Mitigative Measures 11

A. TERTULLIANI, M. ANZIDEI, A. MARAMAI, M. MURRU, and F. RIGUZZI / Macroseismic Study of the Potenza (Southern Italy) Earthquake of 5 May 1990 25

TH. DE CROOK and J. J. EGOZCUE / Comparison of Two Methods for Seismic Hazard Assessment in a Low-Seismicity Area 39

V. M. ZOBIN, E. I. GORDEEV, V. F. BAKHTIAROV, E. I. IVANOVA, YU. M. KHATKEVICH, V. N. KHODENKO, V. E. LEVIN, and V. P. MITYAKIN / Seismic Hazard Monitoring in Kamchatka and Its Applications to the $M = 6.6$ Earthquake of 6 October 1987 51

S. DIMOVA and V. GEORGIEV / Numerical Algorithm for the Dynamic Analysis of Base-Isolated Structures with Dry Friction 71

Book Reviews:

Shirley Bradway Laska: *Floodproof Retrofitting* (C. LOMNITZ) 87

E. N. Bernard (ed.): *Tsunami Hazard: A Practical Guide for Tsunami Hazard Reduction* (T. S. MURTY) 88

Meeting Report 91

Volume 6 No. 2 1992

STANLEY A. CHANGNON and JOYCE M. CHANGNON / Storm Catastrophes in the United States 93

R. G. LAWFORD / Research Implications of the 1988 Canadian Prairie Provinces Drought 109

H. DANIEL STILLWELL / Natural Hazards and Disasters in Latin America 131

ZENGHAO QIN and YIHONG DUAN / Climatological Study of the Main Meteorological and Marine Disasters in Shanghai 161

LARS CLAUSEN / Social Differentiation and the Long-Term Origin of Disasters 181

Natural Hazards Forum 191

Natural Hazards Chronicle 193

Volume 6 No. 3 1992

M. SEMIH YÜCEMEN / Seismic Hazard Maps for Jordan and Vicinity 201

E. N. PELINOVSKY and R. KH. MAZOVA / Exact Analytical Solutions of Nonlinear Problems of Tsunami Wave Run-up on Slopes with Different Profiles 227

TAD S. MURTY and MOHAMMED I. EL-SABH / Mitigating the Effects of Storm Surges Generated by Tropical Cyclones: A Proposal 251

Research Notes:

TAD S. MURTY and VENKATA R. NERALLA / On the Recurvature of Tropical Cyclones and the Storm Surge Problem in Bangladesh 275

TAD S. MURTY and VENKATA R. NERALLA / On the Possibility of the Co-Existence of Monsoons and Severe Storm Surges in the Bay of Bengal 281

Comments: Six Comments on the Bangladesh Flood Action Plan 287
